

The
Kings
to Mexico

*Reaching the heart
of Mexico*

Faithful is he that calleth you, who also will do it.

Hello to all, I hope you had a wonderful fourth of July. You are privileged to live in the greatest country in the world. Some time back my family and I had to travel to the US Consulate in order to renew several of our passports. When we entered the office area I began to cry at the sight of our nation's flag. It is truly a blessing to be an American.

The work here continues to go forward. I believe that the Church is currently going through a purging time. I believe that the Lord is currently pruning the Church. It is my hope that he will purge the leaven and dross out of each of us so that His local Church here can be pure and more fruitful in time to come. Please pray that all his people here will respond correctly to His leading in their life.

We are currently making plans for a conference that we will be hosting in November. We're planning to invite other national Churches to attend and will have preaching each evening. The emphasis of this conference will be the assembly of ten's of thousands of scripture portions that will be distributed during the 2026 World Cup hosted in Guadalajara, Monterrey, and Mexico City. These scripture portions will have the book of Romans in Spanish as well as a gospel presentation in 20 different languages. Please pray that this conference will be a tremendous source of revival not only for the Churches involved but also that many souls would be saved as a result of our meager efforts.

Our family is doing well. The children and Christy are enjoying a little rest during summer break from school. Camden is working hard in the states and is actively involved in our sending Church. We appreciate your continued prayers for our safety and of course most importantly for our spiritual well being. Thank you so much for your prayers and financial support. Without your financial support we couldn't be doing what we're doing. However, your prayers can do what money can never accomplish.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
