

Faithful is he that calleth you, who also will do it.

Hello to all of you who faithfully pray for us. I would like to start by telling you that we are very thankful for you.

Things at the Church here are continuing to go well. We are getting ready for our spring semester of our Bible Institute. We will have two classes, Basic Bible Doctrines and Personal Evangelism. Our organized time of evangelism as a Church continues to grow. Two weeks ago we had twenty eight people go out. We have been going house to house with books of John and Romans in the nearby city of Salamanca. We have been using the 15 passenger van to transport people for evangelism as well as our personal pickup truck because we can stand the people upright in the truck bed. If you would please pray and ask the Lord if it is His will if He would provide a vehicle that seats more people that would be much appreciated.

Will you please make it a special matter of prayer that we are able to get our printing press up and running very soon. We do not want to run out of John and Romans before we get more printed. This is a very important prayer request at this time.

Please continue to pray for our safety. In our update video you will see a garage door with bullet holes in it. I found this when I was going for my morning walk. It's not too far from our house.

On a more positive note, we were blessed to have Camden come visit us for a week. We kept this a secret from Christy and she was very pleasantly surprised.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
