

Faithful is he that calleth you, who also will do it.

Hello and thank you to all of you who pray for us. These past two months have been very busy as always. Our missions conference went very well. We voted as a church to take on four more missionaries. Also, our faith promise giving went up by more than 75%. Praise the Lord as the people of the church give to world wide missions.

We received a mini offset printing press very recently. Please pray that the Lord will enable us to put this machine to use very soon in printing John and Romans booklets.

We very recently went back to the U.S. for a very short trip. Sadly we could not take a furlough. Many have asked us if we plan to take a furlough but the truth is that the Laborers are few, therefore we don't have someone that we can leave overseeing the church for that long. In the Lord's timing we would like to take a furlough but we will wait on His timing. While we were in the states I preached a missions conference in Canada and also preached at the 47th anniversary Wings Bearing Precious Seed conference. It was a tremendous time of strengthening for us.

We have left Camden in the states where he is planning to serve in our sending church in whatever capacity the Lord leads. Please pray not only for guidance but also for the Lord's grace during this time of transition. In October Katelynn turned 18 and Sydney turned 15. We are very thankful for these young ladies. Please pray for the Lord to continue to work in their hearts that they may be very godly servants for the Lord.

Our Bible Conference starts next week. Will you please pray for the Lord's blessing on this conference. Please continue to pray for fruit in our RU Program. Please pray for blessings and direction regarding our Local Church Bible Institute. Please pray for the Lord's continued blessings on our printing ministry.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
