

Faithful is he that calleth you, who also will do it.

Hello and thank you so much for your prayers. I know you pray for us because we consistently get to see the Lord provide accordingly.

This past month we were able to send out more discipleship materials to national pastors. We asked you to pray about the printing ministry especially in regards to printing John and Romans booklets and we thank you for your prayers. I believe that the Lord is putting things together. A Pastor told us that they will send us six staplers for assembling John and Romans. Our Sending Church will be giving us the finances to purchase a guillotine trimmer to cut the John and Romans. Lord willing we will be receiving our first batch of John and Romans to assemble (approx. 11,000) in a few weeks. Will you please pray that the Lord will guide us to a location that we can rent for the purpose of assembling John and Romans. This location can also double as a classroom for our institute as well as a fellowship hall for the Church.

This coming month our Church here is planing to take a short term missions trip to the state of Mexico to give out tens of thousands of scripture portions and gospel tracts to people walking from Mexico City to the city of Chalma. There are so many people that are in bondage to false religion and superstition. We are going to place in their hands the gospel of John and Romans with a gospel presentation. Please pray for souls to be saved, for the Lord to work in the hearts of our Church people and also for our safety.

Bible Institute continues to go well. Please pray that these people will put into the practice the things that they're being taught. "Wealth of knowledge does not atone for want of practice."

Please continue to pray for our safety. We were recently side swiped by a Semi Truck while on our way to a Church service. Thankfully no one was injured. A person was shot and killed recently near an Independent Baptist Church here while they were in their evening service. Also just the other night after our Church service we were dropping a woman and her daughters off at their home and we heard gun shots from the next street over. Please continue to pray for our safety.

All for the honor and glory of Christ Jesus,

Sincerely, Chris King and Family

Please Pray

- For the Lord's blessing over our Institute and Printing Ministry.
- For our protection and safety.
- For the Lord's blessings over our upcoming Church missions trip.

Answers to Prayer

- Safety and protection.
- Spiritual growth of our Church Members.
- The Lord's provisions regarding our needs to assemble John and Romans booklets.
