

Snow! In the final days of moving out of our house, moving into our RV, and completing the final days at my job, the weather forecast was calling for ten to eighteen inches of snow. Well, the Lord knows what we can handle because the snow never made it down to our elevation.

It is amazing how quickly this phase of our life is flying by. This week we are in Missions Conference at our home Church, Bonners Ferry Baptist Church. There is a healthy crop of young people in this Church that the Lord wants to use for His honor and glory. Naturally Satan wants to discourage them from surrendering their life to the Lord. Please pray that we will see many more laborers sent out of this Church (as well as other Churches) for the honor and glory of Christ Jesus.

Christy was pleasantly surprised when the ladies of our Church hosted a surprise brunch for her birthday. We are truly blessed to have a wonderful Church family. They have repeatedly taken very good care of us. We are officially on full time deputation now and will be traveling throughout the northwestern U.S. until after Christmas. Please pray that our travels are safe and uneventful.

Thank you very much for your prayers. This past month we were able to schedule many more meetings and had two Churches take us on for support. Praise the Lord!

**Prayer Requests:**

- That we will be able to schedule more meetings
- For safety while traveling
- That we will be a blessing to the Churches that we minister in
