

Faithful is he that calleth you, who also will do it.

Hello everyone! What a wonderful month we have had. Incredibly busy as always, however, we are consistently impressed with how gracious and kind our Lord is.

Thank you to all of you that prayed for our first Church services in Valle de Santiago on April 10th. We had a wonderful start to holding regular Church services here. We have seen a steady stream of first-time visitors. It has been encouraging to see those first-time visitors quickly turn into regular attendees. We have seen people making good decisions to be faithful in their regular attendance. We also had a young lady ask about being baptized. I spoke with her and her husband for a little while after one of the services. We cannot assume that people have a biblical understanding of salvation or baptism. We are endeavoring to be very thorough when teaching people the Word of God. Please pray that the Lord will give us wisdom and guidance.

After several hiccups, we have received our visas for another three years. Praise the Lord, that is behind us. We are officially cleared to be here and work for another three years. During the process, we were charged double the price for three of the visas. Will you please pray that we will receive a refund in the near future? Also, on two different occasions while I was trying to withdraw money from an ATM the machine "debited" our bank account and never gave me the money. Both occasions are under investigation. Would you please pray that the bank here would refund that money?

We just celebrated being in Mexico for one year and according to my records, we have handed out a little over 43,000 packets of scripture since arriving here. We have had a family in the Church start going with us once a week to distribute scripture and we had two families ask if I could please bring them packets at our midweek service so they could give out scripture on their own time throughout the week. Praise the Lord for right now we have people who want to get the Word of God out. Thank you so much for your prayers. For all of those who support us financially and pray for us, thank you from the bottom of our hearts and God bless you!

Sincerely,

Chris King and Family
