

Faithful is he that calleth you, who also will do it.

Hello everyone, this past month has been wonderful. As always it was filled with blessings and challenges. Having both helps keep us on track.

We celebrated mothers Day by attending a mother-daughter retreat in the state of Hidalgo. We also celebrated mothers Day at the church by giving the mothers a small rose bush and some chocolate.

Our family also traveled to the state of Mexico and participated in a missions conference. We were privileged to take a pallet of scripture to two different national pastors there. We had a very encouraging time there with our brothers and sisters in Christ.

We have a family that has been attending our Sunday morning services since our campaign last August. They have also been attending the services of a nearby Pentecostal group as well. Without putting any pressure on them to solely attend our Church services I have been praying for 8 months that they would leave the Pentecostal group but for principled reasons. I desired for them to leave based on scriptural principles found in the Bible. The husband spoke to me almost two weeks ago and told me that the Pentecostal group had called a woman to be their pastor. He told me that this is unscriptural and that he decided that they won't be attending there anymore. He told me that they will only be attending our Church. He also asked me if he could be baptized because they were only baptized in the name of Jesus. He knew that this was unscriptural as well seeing that the Lord told us to be baptized in the name of the Father, Son, and the Holy Spirit. Please pray for this family, I do believe that they have a tremendous amount of potential.

On Saturday the 3rd of June we went to the city of Moroleon. We took more than 20 people and distributed more than 8,000 portions of scripture. Please pray for fruit that will abide and remain from this effort. We are also planning to take a group of men to a Father-Son retreat this coming Friday and then celebrate Fathers Day with our Church people this coming Sunday.

God bless you all and keep up the great work for the Lord right where you are.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
