

Faithful is he that calleth you, who also will do it.

Hello, I hope this letter finds you doing very well. Praise the Lord for allowing us to serve Him here in this part of the world.

This past month we saw the people of His church here continue to go forward and faithfully serve Him. Institute continues and will wrap up the first week of August. Please pray that the students will finish strong. We are thankful for the faithful servants here in the Church. We have a solid crew of people each week that help assemble and distribute John and Romans booklets. By the Lord's grace we will be starting a ministry to reach people with addictions the third week of August. Please pray for the Lord's direction and blessings upon that ministry. Our printing ministry continues to do well. Thank you very much for your prayers over that ministry also.

Would you please pray specifically that we would be able to get the green van repaired as soon as possible? Also, please ask the Lord to give me guidance as I seek to make plans regarding our fall Bible conference and our missions conference later this year.

A special thank you to our sending Church. The Lord used them to provide my airline tickets to go to Indonesia on a short term missions trip with my Pastor and two young men from our sending Church. We were able to give out New Testaments in an area that was approximately 50% Muslim. It is illegal there to give the gospel to a Muslim. I was greatly encouraged and challenged to see the other missionary serving the Lord there. I only hope that I may be found faithful to the Lord like this man of God has been for so many years. If you have any questions about that trip please reach out to me.

Thank you very much for your prayers and for those of you who financially support our ministry here in Mexico, thank you.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
