

Faithful is he that calleth you, who also will do it.

Dear praying friends, Thank you so very much for your faithful prayers. I know that you are praying for us because we faithfully see the Lord graciously answer our requests. I'll be honest I was a little intimidated about driving an RV across the country in the winter time. I know the potential challenges that we could face. I'm thrilled to tell you that we had completely bare roads all the way from North Idaho to Kentucky and ultimately to southern Mississippi. Also, we had absolutely no wind across the mid-west. If you have any experience with driving across the country, then you know what a miracle that is. We were thrilled to be able to tour the facilities of Lighthouse Baptist Press in Rapid City, SD. Thank you brother Petrocco! My family and I have a tremendous burden for printing and distributing the Word of God.

We continue to prepare for moving to Mexico. We have received some direction and provision regarding the shipment of our household goods to Mexico. Please continue to pray that the Lord will give me wisdom regarding this.

Christy and I are planning to go to Mexico this month to secure housing. Please pray that we will be able to find the exact home that the Lord has for us. Also, please pray that we will be able to travel smoothly.

We are still planning to move to Mexico this coming April. Please continue to pray that this entire process will go very smooth. With changes regarding international travel we certainly need the Lords wisdom and guidance. God bless you all and thank you again for praying for the King family and for our ministry.

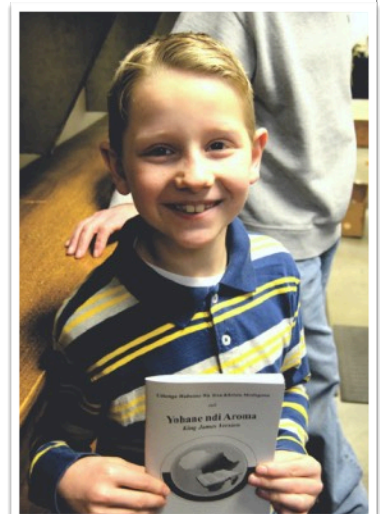

Sincerely,
Chris King and Family
