

*Faithful is he that calleth you, who also will do it.*

Hello everyone, Thankfully rainy season has begun which has resulted in lower temperatures. We are thankful for that.

Surprisingly we have many families living in our neighborhood that are from Japan. They do not speak English or Spanish. I do have a box of John and Romans in Japanese. However, I speak virtually no Japanese. Please pray that the Lord will give me wisdom and use me to reach these people with the gospel.

We have several projects coming up in the near future. Later this month we will be traveling to the state of México and Lord willing I will be preaching a two day conference. We will also be traveling about an hour and a half away in the month of August to preach a missions Sunday for a Church near Celaya, Guanajuato. Please pray that the Lord will protect us as we travel and use us to be a great blessing to these Churches.

We are about half way through completing a book. There will be about 37 different Bible study topics in this book. We believe it will be a great resource for national pastors and Christians alike. Sound materials are difficult to come by here and we're hoping to change that. We were also thrilled to receive permission to translate and print the book "Heartbeats of the Holy" by Keith E. Knauss.

I am in the process of procuring material so that Lord willing we can start a Bible Institute this coming year. Please pray that the Lord will guide us and direct us according to His timing in all of these things.

This past Saturday we hosted our very first class teaching through the Church constitution and the articles of faith. It is our hope to organize the Church this coming fall. I believe this is a very important step in the birth of this Church. Please pray for the Lord's blessings as we seek to obey Him in His timing.

All for the honor and glory of Christ Jesus,  
Sincerely, Chris King and Family
