

Faithful is he that calleth you, who also will do it.

Hello praying friends, praise the Lord for His gracious blessings. We have asked you to please pray that the prep and sale of our RV, car dolly and mini van would go well. We have had a missionary family lined up for this purchase since last fall. I am happy to report that the handoff went very well. Please pray for the Lord’s blessing on this family as they are beginning their deputation.

We have also asked you to please pray about us getting our Visas. We recently ran into a snag. We need a letter of invitation from a registered institution in Mexico. Most Churches in Mexico are not registered with the state. The person that we had been working with since this past summer suddenly found out that his registration had expired. Praise the Lord that we have a Pastor that has written the much needed invitation letter for us. Our lawyer in Mexico City has received this letter and will be applying for our religious workers Visa right away. Please continue to pray that this process will go very smooth.

I have been working diligently to pack some of our household goods for shipment to Mexico. We have sold the majority of our belongings, given some away and thrown away much more. We are limiting this shipment to sentimental and very important items. Please continue to pray that the Lord will give me wisdom and bless this effort.

Thank you so much for praying about us securing a house in Mexico. The Lord very graciously guided us while we were in Guanajuato recently. I was encouraged to see the Lord answer many of my wife’s personal prayer requests regarding our new home. Our new home is located in a very safe and secure neighborhood.

We still plan to move to Mexico the third week of April. If everything goes as planned we will be on the field just a little over a year and a half after starting deputation. This is the Lord’s doing, it is marvelous in our eyes.

Sincerely,
Chris King and Family
