

Dear Praying Friends,

Happy New Years to you. This time of year has caused me to reflect on this past year with deep gratitude for what the Lord has done. I'm also looking forward to this next year with great anticipation to see what the Lord is going to do.

This past month has been busy. We have had the privilege of presenting our work and preaching in nine different churches throughout Idaho and Montana. Being around God's people is the highlight of each week. We were very thankful to be able to spend a little time with friends and family during Christmas, which was wonderful. As of right now we are making our way to southern Arizona where there is significantly less snow. We will be down there for several weeks before we head east of the Mississippi.

Currently we've had more than 16% of our support come in over a four-month period. We had two Churches take us on for support this past week which was tremendously encouraging. I am praying that the Lord will give us 25% of our support by the end of January. Deputation presents many unique challenges but I embrace those challenges because they keep us close to the Lord and keep us relying on Him.

Thank you so very much for your prayers!

Sincerely,

Chris King and Family
