

Faithful is he that calleth you, who also will do it.

Thank you so very much for your prayers. Last month we asked you to please pray that we would not have any meetings cancel in the month of June. I am thrilled to report that not only did we not have any meetings cancel, but we were able to get four extra meetings that were not originally scheduled.

We had a total of five Churches take us on for support in the month of June and one more took us on for support on July 1st. In ten months of deputation we have more than 45% of our financial support. We have had the privilege of presenting our work in 85 Churches so far. We are so thankful to the Lord for His provision.

We asked you to pray that we will be healthy and safe as we travel and the Lord has faithfully taken care of us. We have asked you to pray that we will be a blessing to Churches as we visit them. My wife reminded me recently that we have heard people say to us frequently that we have been such a blessing to them while we have visited their Church. That is a direct answer to prayer. I know that our fruitfulness can be directly connected to your faithfulness in prayer for us. From the bottom of my heart

I say, Thank you!

Today is Lillians third birthday. She is so much fun and a constant reminder of why we have six children. Children can be challenging, but they are a wonderful blessing from God. We love our children dearly and look forward to seeing what the Lord is going to do with them for His honor and glory.

Please continue to pray that we won't have any meetings cancel this month. Please pray that our family will grow during this time period in our lives. I believe the Lord will use this time of deputation to prepare us for the challenges we will face on the field. Please pray that we will get to 50% in the near future.

I can't tell you thank you enough for your prayers. To those of you who pray for us, God bless you.

Sincerely,

Chris King and Family
