

Faithful is he that calleth you, who also will do it.

Hello, this past month has been extremely busy. However, we are so thankful to be in the service of our King.

We traveled to the nearby state of Mexico to preach a two day conference. It was wonderful to see this indigenous work. If you think of it please pray for God's blessings on Mount Calvary Baptist Church near Santiago Mexico.

We have also been to two different camps this past month. Both were a blessing and encouragement to our family.

We have very recently finished teaching through the articles of faith and Church constitution. We are looking forward to organizing the Church in September.

I'm very excited to report that Texas Grove Baptist Church in Tennessee gave us the money from their VBS offering. We used this money to purchase our first piece of book publishing equipment. We have been praying about this for some time.

We have had an unspoken prayer request in the works for approximately a year and we are thrilled to report that the Lord has answered that pray request. Thank you to all of you who faithfully pray for us. It is truly an encouragement to see the Lord answer prayers.

God bless you all that pray for us and faithfully support our ministry financially. You are being used of the Lord to make an eternal difference here in central Mexico.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
