

Faithful is he that calleth you, who also will do it.

Hello to all and thank you very much for your prayers. Your prayers are truly invaluable to us. It is very encouraging to know that you are praying for us.

Since our last prayer letter we have been very busy. We had one man get baptized. We finished our first semester of our local Church Bible Institute. As a Church we made our first short term missions trip where we distributed thousands of John and Romans booklets to those making a pilgrimage to a Catholic landmark.

We have also had many people in the Church make very good decisions. They are hearing sound Bible teaching and preaching and then responding by faith in obedience. There is nothing like it. I can't go into great detail but we have many many incidents in the Church right now of people making very good choices in obedience to God's Word.

In regards to our family, Katelynn graduated from High School. Sydney got braces. Ethan turned 13. Lillian has lost her first two teeth. Like I said lots happening around here.

I recently put out a post on social media asking people to pray. We had such a wonderful response to this post with people who are praying for us. I was away from our home and Sydney was having terrible abdominal pain. Christy needed to take her to the emergency room which would normally be stressful anyway but she is still insecure with her ability to communicate in Spanish especially in stressful situations. Thankfully another missionary family nearby took them and helped tremendously. They initially said that it was appendicitis and would need to do surgery immediately. However, they have since ruled that out. Sydney is feeling better however we need to conduct some more tests to be sure what is happening with her. Thank you so much for your prayers.

Others have asked about our vehicle situation. We have a personal vehicle (minivan) that we were using on our Church missions trip when the transmission went out. The mechanic is still working on that. We also have a 15 passenger van for ministry that was struck by a semi several months ago. The Lord has provided the finances for that repair through His wonderful people and hopefully that repair will be underway in the near future.

We also received a guillotine cutter that will be used to trim the John and Romans booklets in our Church. We currently have 11,000 signatures waiting to be assembled by the members of Iglesia Bautista de Valle de Santiago. Please continue to pray for us. Your prayers are truly invaluable.

All for the honor and glory of Christ Jesus,
Sincerely, Chris King and Family
