

Faithful is he that calleth you, who also will do it.

Hello to all of you, thank you so much for reading our prayer letters and for taking the time to pray for us. This past month has been very busy. We took three weeks to drive to Montana for Christmas. The kids got to play in the snow in the beautiful mountains of Montana. We got to see our family. I had the opportunity to see my Grandpa one last time before he goes into eternity. I'm so thankful that I had the opportunity to talk to him about the Lord and his need to accept Christ as his personal savior. Please continue to pray for his spiritual needs.

We are thrilled to be back in Mexico and are very excited to see what the Lord is going to do in the coming year. We have started looking for a building to rent in preparation for starting our first Church. Will you please pray that the Lord will guide us to the exact building that He wants us to have? Also, Lord willing we would like to host a Campaign at the end of this coming summer. This would include canvassing the city with John and Romans booklets with a flier inviting everyone to a series of special meetings where we would give each visitor a free copy of God's Word. Of course, this would require a tremendous amount of organization but we know that with God all things are possible. If you or your Church would be interesting in helping with this Campaign please let me know. This would be a great opportunity for a short-term missions trip. The Word of God says "Mine eye affecteth mine heart.." In Lamentations 3:51 and the Bible says of our Lord in Matthew 9:36 "But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd." The Lord has used short-term missions trips in my life to help me have a heart for the mission field.

Please pray for us, that the Lord will guide and direct us. Please pray for his blessings on this ministry. God bless you!

All for the honor and glory of Christ, Sincerely,

Chris King and Family
