

Faithful is he that calleth you, who also will do it.

Hello praying friends, It's amazing how quickly time is flying by. Before we know it, we'll be going into the new year. I'm very thankful to be able to report that the Lord is working mightily in our home. It is thrilling to see the Lord graciously growing us. Transitioning has been very challenging but praise God he has already given us the victory through our Lord Jesus Christ.

We have seen significant growth in learning the language as well as the culture. Thank you very much for your prayers regarding this. I have had more opportunities to teach and preach the word of God. In one weekend I taught and preached four different times. One midweek service we had a new record of 37 people on our van route. The Lord has also been using us to provide special music at regular Church services as well as special meetings in this area.

Thank you very much for praying that the Lord will direct us in regards to where he may have us start our first Church. It is too soon to tell if this is an answer to that prayer request, however, we do have some exciting news.

We had a Pastor friend invite our family to take a site seeing trip to some inactive volcanos south of where we live. While we were standing on the top of one overlooking a city there, he told me that there is 150,000 people here and no one currently preaching the gospel. That of course caught my attention. Within the week I received a phone call from a Pastor in Monterey Mexico. He asked me if we had a work started or an idea of where we would start a work. I told him the name of this city we had visited and he eagerly mentioned that his reason for calling me was because a man from that city contacted him and asked if there was anyone who could come and conduct a Bible study in his home.

We had 17 people in our first Bible study there Praise the Lord! We are scheduled to go back each week at the same time. Please pray for the Lord's protection and blessing over this open door. To all of you who pray for us, thank you so very much! Keep up the great work for our Lord in these last days.

All for the honor and glory of Christ, Sincerely,

Chris King and Family
