

Faithful is he that calleth you, who also will do it.

Hello Praying Friends,

We are thankful for many things, including being home for the time being. We made it back safely from Alaska and enjoyed spending some time with family for Thanksgiving. We are getting some rest and beginning to prepare for our move to Mexico this coming spring. We have much to do.

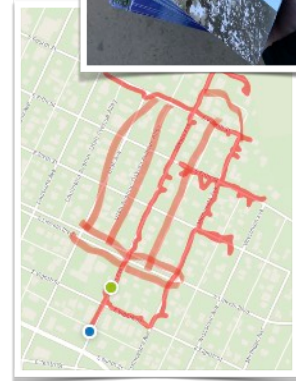

Our four oldest children and I had the opportunity to distribute a box of John and Romans in the city of Libby Montana recently. Please pray that the Lord will work in that town to plant an Independent Baptist Church.

Will you please pray over the following items with us? Please pray that our Visa process will go extremely smooth. Please pray that we will be able to secure housing in Mexico. Will you specifically

pray that we will have wisdom as to when we should go down there to secure housing. Please pray that the Lord will guide and direct

regarding the shipping of our household items into Mexico. And, please pray that the preparation and sale of our RV, car dolly, and mini van will go very smoothly. We have a lot to do yet before we can hit the ground in Mexico. Our current support level is at 89%. Thank you to all that are praying for us. Your prayers are truly invaluable. Thank you again, and God bless you.

Please Pray

- That the preparation and sale of our RV, dolly, and car will go very well
- For the Lord's guidance about shipping our household goods
- For the Lord's guidance in securing housing in Mexico
- That our Visa process will go very smooth

Sincerely,
Chris King and Family
