

## Faithful is he that calleth you, who also will do it.

Dear praying friends, this past month has been a very interesting time. Last year while I was scheduling and planning for 2020, I failed to incorporate COVID-19 into my calendar. I am so thankful that we have a God that is not hindered by our circumstances. Rather, I believe the opposite is true. These are the times that the Lord does a great work in order to show himself strong in our behalf.

We had a months worth of meetings scheduled in Maine. However, we had to cancel that trip due to strict travel restrictions in Maine at this time. The Lord has very graciously provided for our financial needs. He has also provided us some very unique opportunities to present our work. We have had two more Churches and one individual take us on for support since our last prayer letter bringing us to a total of 36.5% of our needed financial support. Thank you so very much to all of you who are praying for us.

We have moved a couple of times since our last prayer letter. Each time believing that the Lord was leading us. About a week after we left Mississippi a tornado came extremely close to where our RV was parked, and destroyed several homes in that area. We also made a decision to move a little further north two weeks later, and by and by we were able to get several meetings scheduled and even have one of those Churches take us on for support. I'm so thankful that in the midst of uncertainties that the Lord is guiding and directing us.

### Please Pray For ...

- For souls to be saved
- Opportunities to present our work this month.
- That we will be healthy and safe as we travel.
- For the Lord to show Himself strong in our behalf.
- Guidance and direction during this next month.
- For our trip to Mexico in June to continue as planned.

Less traveling than normal has allowed the kids to get a lot of their schooling done, which is a great blessing. The extra play time doesn't disappoint them either. I have also had the privilege of helping with a number of building projects during the past month as well. Raking leaves, installing a door, miscellaneous odds and ends. I am painting a Church's fellowship hall at this moment and making preparations to perform an LED retrofit on their building. We enjoy helping out and being a blessing anyway that we can.

At one Church we were able to go door to door and leave Gospel tracts and fliers at the request of the county commissioner. Also, I was able to very clearly preach the gospel and give a Bible to a man named Todd.

Our schedule is beginning to fill up again and we are so excited at the prospect of getting back the in full swing of deputation.

- Thank you for your prayers, Sincerely, Chris King and family.
